

Virtual Tour Request Form

COVID shouldn't interrupt your students' learning! Take them on a virtual field trip to Foxfire.

Here are answers to some common questions:

- How much is it?

Live virtual tours are \$5 per student, minimum of 10 students or \$50 required. One free teacher admission is included.

- How do we schedule a tour?

It's easy! Just fill out this form and email it to asstcurator@foxfire.org with subject line "Virtual Field Trip". Send in your request form at least two weeks before your requested tour date.

- What technology do you use?

We can livestream via Zoom or Google Meet. We will work with you to provide the best option for your classroom.

- How long is it?

Tours are a maximum of 50 minutes, broken up into 25-minute virtual tour followed by a 25-minute Q&A with a museum professional.

- What all is included?

In addition to a virtual tour, we will also provide resources and standards-driven learning plans. For students who opted for at-home learning, we will share a coupon code for them to visit on-site with families for a self-guided field trip.
